## Welcome, we're glad you're here!

We are a church family committed to following Jesus Christ as Lord. We do this by getting to know him through his living Word, the Bible, which is why the sermon is the key part of our Sunday services.

## Authority Rejected

*Jesus, sent by God, the cornerstone for life and peace, is rejected by the habitual spiritually blind leaders of Israel. Readers are warned against the fatal danger of habitual rejection and to grow faith and conviction in Jesus as the One who alone gives life and peace.*

## Prayer Points

---

### **PRAISE GOD THAT HIS KING HAS**

**COME!** Praise God that Jesus is King over all—including every detail of life. Praise God that King Jesus is sovereign over all details and will work them out towards His good purposes. Praise God for the assurance that we have that Jesus remains King and is sovereign over all the details of our presently chaotic world.

### **PRAY THAT WE WOULD TRUST JESUS**

**IS SOVEREIGN.** Pray, especially, in the face of the chaos of this world that we would not respond in worldly retreat, worldly fears, or worldly rebellion—but with gospel confidence, humility, and love. Pray that the sovereignty of Jesus would not cause us to be proud, but gracious and joyful.

### **PRAY FOR GOD'S ONGOING MISSION**

to not be lost in the midst of all that is presently happening. Pray that God would renew in us an eternal perspective—that His mission of glorifying Himself through the gospel of His Son continues on. Pray that we would play a part in this by proclaiming the gospel and living lives in harmony with the gospel. Pray for our evangelism, our prayerfulness for loved ones, and our witness to the world to continue winsomely.

### **CONTINUING PRAYING FOR THE ONGOING PANDEMIC,**

especially for the members in our church who have been infected. Pray for smooth recoveries, and patience for the family members who may be close contacts and requiring isolation. Pray that we as a church would find ways to encourage and meet the needs of those who are recovering. And pray that this current wave would come to a swift conclusion.
