Welcome, we're glad you're here!

A community of maturing disciples of Jesus

God has brought the far off into community, through the blood of Christ, to be his church. Therefore, we aspire to be a community of maturing disciples of Jesus.

Prayer Points

Give thanks that in Jesus we have God revealed to us and God speaking to us.

Praise God for the Sermon on the Mount. Praise God for the remarkable wisdom and insight the sermon gives to human nature and life. Give thanks that Jesus not only reveals his kingdom and its demands, but also through his death, resurrection and the sending of his Spirit, enables us to live His way.

Pray for SLE Church's new vision. Thank God for the previous vision and ask that God would be pleased to use the new one to keep growing his Kingdom through SLE Church. Pray that our church and ministries, established and new, would adopt and grow through this vision as we seek to be a community of maturing disciples that invests in the next generations. Pray that God would bring new converts and new people into our church who will be on board with this vision and direction.

Give thanks for the anniversary celebration with Centenary Evangelical Church (CEC),

and our sending partners Christ Community Church and St Lucia Bible Church. Pray for CEC to continue grow in number and maturity, and especially that new converts would be established and built through that church. Pray for SLE's growth that we might raise up new leaders for more opportunities for believers to be matured and unbelievers to hear and receive the gospel.

Pray for each other as our church begins our Bible Study series on 'Caring For The Body Of Christ'. Pray that God would grow us in understanding how to better love and care for each other. Pray for an eagerness to learn and apply what we see in the scriptures – and pray especially that God would enlarge our hearts towards each other that we might better listen to and love one another. Pray that this would grow a lasting culture of caring for each other.
