Guest Sermon

The
LORD
*is My
Everything*

Pastor Benjamin Ho

Psalm 16

The LORD is My Everything

As we look forward to the year and years ahead, where will we go to look for the 'good' that we long for? Like David, let us long to find refuge in the LORD God, convinced and confident that He is our everything in life and in death.

Prayer Points

Praise God our creator and sustainer for the gift of rest. Give thanks for the way rest reminds us that we are finite and sinful creatures who depend on our Creator and Saviour. Pray that our times of rest would be regular and balanced, and that ultimately it would give us the space to enjoy God now and look forward to our eternal rest with him.

Pray that as we open up Psalm 16, it would encourage us to long to find refuge in God, knowing that he is everything we need in life and death. Pray that the lyrics of this psalm would lift our eyes to Jesus, our Lord and Christ who was resurrected from the dead so that we would have the hope of resurrection for ourselves.

Pray for our brothers and sisters at Centenary Evangelical Church as they continue to reach the Centenary suburbs with the good news of Jesus. Give thanks for their Grow Group leaders and for the eagerness of many CECers to join Grow Groups in 2025. Pray that these new groups would form well and be used to great effect in the lives of all.

Give thanks for the Ignite Training Conference and its mission to build the church in Brisbane by training disciples to make disciples. Give thanks for the opportunity for delegates to build their skills in handing and teaching the Word, Pray that God would raise up more leaders in our churches who can wield the Bible well and make a gospel impact in our city.

Give thanks for the fellowship shared with brothers and sisters from other churches at Re-Ignite and for the reminder that our heavenly Father loved us so much that he gave his only Son to die for our sins. Pray that our churches would be compelled by his great love to proclaim the good news of Jesus to the millions in our city that need to be saved.
