## THE GOSPEL AND HONOUR IN WORSHIP

1 Corinthians 11:1-16

## The Gospel and Honour and Worship

When the church gathers, our conduct must not preach against the God we worship—obscuring His created order, dishonouring Christ, or dishonouring one another.

## Prayer Points

---

### **Monday – 1 Corinthians 11**

Thank God that he is a God of order and not chaos. Pray that the orderliness of creation and human relationships is reflected in the way that we gather. Pray that our gathering honours men and women in the way God has made us, and pray that this honour would be clear and joyful. Pray that this builds us up, and is an encouraging and distinctive light in our gathering to outsiders and unbelievers.

### **Tuesday – Membership**

Give thanks for the membership classes over the past month and a half that have helped people consider what it means to become a formal member of SLE Church. Ask that God might help them to prayerfully consider committing to and joining the SLE Church Membership. Pray that we would all value the importance of membership for our witness and service to God and his kingdom.

### **Wednesday – Holiness**

Give thanks for the gospel of Jesus which saves us and calls us to live in holiness. Give thanks for the challenges and warnings in God's word over the past couple of months to live with the wisdom of Jesus Christ crucified and to glorify God in our bodies. Pray for the Spirit's regenerating and renewing power to continue working in us to put sin to death and to put on Christ. Pray that as a church we would encourage and spur one another in holiness and godly living.

### **Thursday – University students**

Pray for university students in our church who are in the midst of exams; that God will help them to focus where they need to and recall what is needed during their exams. Pray also that they will focus upon and recall the Lord Jesus and his gospel even more than they do the exam material. Pray that God would give them wisdom to balance time in study and time with God and his people.

### **Friday – Bible College students**

Pray for students at Bible Colleges around Australia (such as Queensland Theological College) in the midst of their assessment period. Give thanks that God has sustained these students through semester one, for the ways he has guided them and for the things they have learnt. Pray that God might help them to focus and reinforce what they have learned this semester, and that he might grant them peace of mind as they prepare and study for assessments. Pray that all they've studied and learned this semester will draw them closer to God, and will equip them for ministry now and in the future.

### **Saturday – Taste and See**

Give thanks for the third session of Taste and See exploring God's great rescue of humanity in the death of Jesus. Praise God for the many questions raised so far and the way our guests are engaging with what they've heard. Pray for our guests to continue to grow in their understanding of the gospel and for the Holy Spirit to help them see their need for the rescue found in Jesus.
