Disability and Neurodiversity

God gives every person the worth of his image, whatever they can or can't do, and Jesus will bring all who trust him into a kingdom where we are all fulfilled together. So, let us receive every person, whatever their ability, as God's gift, and become a church where people with disability and neurodiversity belong and are heard.

Prayer Points

National Church Life Survey

Give thanks to God who guides, corrects, and blesses his church. Pray that he might use the National Church Life Survey to help us as a church to keep proclaiming the gospel of Jesus and growing mature disciples of all generations.

Give thanks for the research skills and technical expertise of the NCLS Research staff, and for the contributions of all the people from many churches who have shaped this year's survey.

Pray for each church which is opening itself to learning by taking part in the survey.

Pray for each worshipper who will ponder, pray, and complete a survey form.

Pray for all the pastors and leaders who will provide information about their churches.

Pray for SLE Church as we respond to what we learn from the survey.

Pray that through this survey, God would help us to be honest and observant about how we're going as a church, and that he would guide us to respond in ways that seek to grow his kingdom for his glory.

Pray that God would give us thankful hearts for the areas of our church life where his grace is overflowing, and that he would give us courage to recognise and act on the areas of our church life where change is needed.

Give thanks for God's faithfulness throughout the generations, and pray that he would continue his good work through our church for many more generations to come.

Q&A Sessions — 1 Nov (Sun)

In our sermon series, Made in His Own Image, we've explored what it means to be human — made in the image of God. Over these weeks we've seen what Scripture has to say about who we are, and how it speaks into some of the big questions we wrestle with in life.

These aren't just ideas to think about — they're questions that impact how we live every day. To help us reflect more deeply and thoughtfully, we're holding our last Q&A session for this series so you can bring your honest questions and hear how others are thinking them through too.

Sunday 1 November, 1–2pm — North Hall

Come with a question, come to listen, come to think it through together as a church family.
