THE CITY THAT THOUGHT IT WAS SECURE

The City That Thought It Was Secure

The future of God's people is secure because the destruction of God's enemies is assured.

Prayer Points

Monday: Nahum 2

Praise God for He is judge and justifier of all things yet also refuge and shelter for those who run to Him. Thank God that the future of His people is indeed secure because He assures that evil will be judged and destroyed. Pray that God will help us to grasp how much we need Jesus to face judgment for us, especially when we feel secure enough in ourselves to think we don't need him.

Tuesday: Rivers of Living Water

Praise God for His grace in sustaining them over many years of life. Pray for physical strength and mobility, alleviation of illness and pain, and for God's peace and comfort to hold tightly onto those who are in a time of grieving and loneliness.

Please pray that they continue to hunger for His Word and deeply trust in Him during this season of life, and that the love of Christ will fuel their unity and love within the grow group. Please also pray that God sustains the leaders, as they seek to be faithful in teaching your word to the group.

Wednesday: SOS / Taste & See

Thank God for the faithful work He is doing in the SOS groups, and that families get to read the word and walk alongside each other through all seasons including school terms and holidays.

Praise God that SOS South & East will be serving together to host Taste & See this year. Pray the Lord would graciously grow their hearts for the lost, the bravery to invite people along, and confidence in making Jesus known. Pray the Lord would unite the two groups in gospel zeal and strengthen them to serve him well together. Pray He would bring many along to taste & see his lavish love in Jesus, and be called to repentance and faith.

Thursday: Women's Group

Thank God for the opportunity to gather around his Word in the middle of busy lives. Pray that as they study the Psalms this term they will engage their emotions and see how the book points to Jesus. Pray that the women will know and love Christ more through it. Pray also that the group will grow in number that more women might be spurred on in their faith.

Friday: Clay

Pray for the Clayers, that they may grow a deep sense of care and community within the groups, to build each other up in the word, and to point each other to Christ by loving one another.

For the Clay leaders, please pray for wisdom and energy in planning and leading the Clayers, that it aligns with God's purpose especially with the new changes. Pray also that they will be able to manage their time and efforts well, having renewed focus on growing deeper in serving Christ.

Saturday: Primary Kids Church

Praise God for the new school term, where PKC goes through a series on discovering the "whys" of being a Christian! Pray for the kids to have a better idea of why followers of Jesus worship and believe in God, read the bible, go to church, share the Gospel, and much more! Pray also that they ultimately grow their love and heart for God as they understand more, and have fun while doing so!

Pray for the teachers to prayerfully and intentionally prepare for lessons, to teach the content clearly from the Bible and to be Christ-like examples in character and conduct to the kids, all while relying on Jesus Himself for wisdom and sustenance. Pray too that the teachers may partner closely with parents & families in discipling the kids and care for their families well.
