SLE Church is a branch church of Chinese Christian Church Brisbane

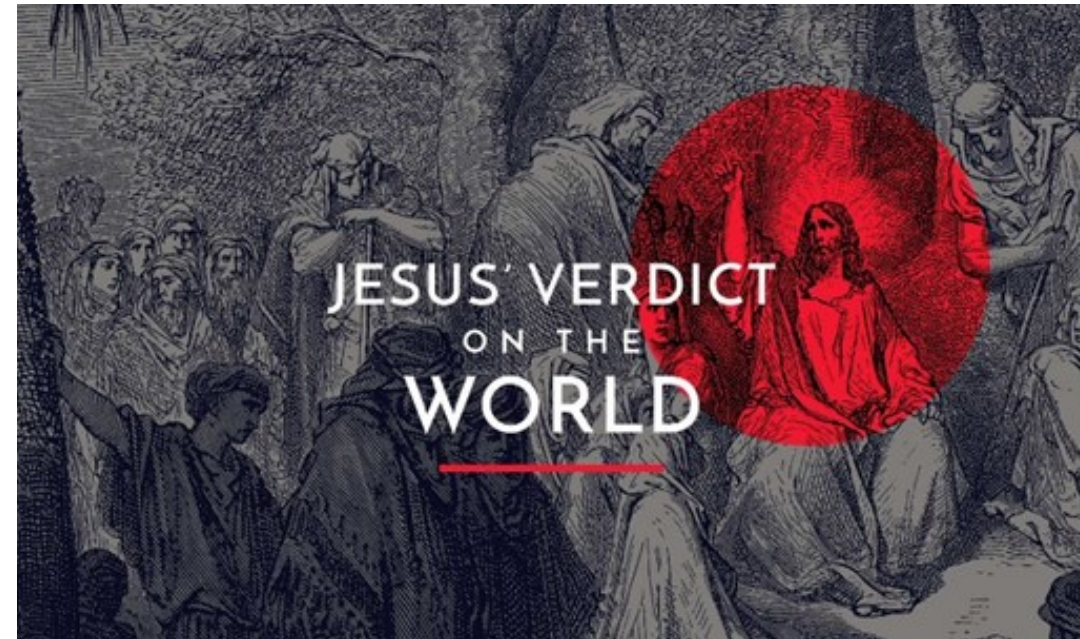

23 January 2022 | Service Times: 8:45am & 10:45am

Welcome, we're glad you're here!

We are a church family committed to following Jesus Christ as Lord. We do this by getting to know him through his living Word, the Bible, which is why the sermon is the key part of our Sunday services.

The Verdict of the Proud

Jesus is God's Messiah who will one day place all opposition under His feet. Therefore, heed the warning of the fatal danger of questioning Jesus in a way that doesn't want answers. This passage calls people to have ears to hear his call to give God what is God's.

Prayer Points

PRAISE GOD FOR CREATING US

to belong to Him, to enjoy peace in all its fullness, and to enjoy unfettered relationship and connection with our Creator. Praise God that He provided a way to belong to Him again after sin came to destroy all that is good. Praise God that Jesus came as the Humble King who came to give us peace.

THANK GOD THAT JESUS CAME

to replace the temple as the connection point between God and us. Thank and praise Jesus for being the Cornerstone. Thank God that Jesus' death and resurrection both deals with sin (bringing about forgiveness and justification) and sin's effects (bring about restoration at every level). Thank God that Jesus is from God, represents God, reveals God and restores us to God.

PRAY THAT WE WOULD SEE

the tragedy and danger of spiritual blindness, to see that spiritual blindness, responses of unbelief and rejection, becomes habitual, causing greater blindness and hardness, and results in a further judgement of hardening by God. Pray for yourself and for others to strive to never 'settle' or think lightly of this way of responding. Pray in repentance for those times where we have responded with blindness and when we've not taken unbelief and rejection seriously.

THANK GOD FOR THE RELATIVE

MILDNESS of severity of those who were infected with COVID and for restoring health to those who have recovered. Keep praying for those who are sick, either with COVID or with other health conditions.

PRAY FOR FAMILIES WITH SCHOOL-AGED CHILDREN as they cope with the delay of the start of school. Pray for those whose employment and work have been impacted by the pandemic.
