Welcome, we're glad you're here!

Investing in the next generations

Investing in the next generations is the necessary and ongoing work of the church.

Prayer Points

Praise be to the God and Father of our Lord Jesus Christ, who has revealed to us his vision to unite all things in Christ. Give thanks that though we were far off, God has brought us near through the blood of Christ, breaking down the walls of hostility and forming us into a new community. Pray that as a church we would aspire to be a community because of Jesus, and that we would aspire to be disciples of Jesus who are maturing in him.

Pray that as we are envisioned with the task of investing in the next generations, that God would be working in our hearts, helping us not to be inward-looking, but to see the great need to proclaim the gospel of Jesus Christ to those who will come after us. Pray that God would sustain and grow the ongoing work of our church so that many more would come to faith and grow into maturity in Christ.

Pray for the SOS East Grow Group as they meet regularly for Bible study and fellowship in order to encourage one another to grow in their Christian journey and to faithfully serve the Lord. Pray that God would guide and help them to embrace the challenge of submitting to the Lordship of Christ, whether that's in the home, in their role as parents and spouses, and in their decision making and priorities.

Give thanks for the Meet Jesus events that were held this weekend in Brisbane. Give thanks for the opportunities for many to meet Jesus through the proclamation of the gospel. Pray that those exploring the Christian faith might continue to explore through a local church, youth group, or in their AFES campus groups.

Pray for Southside Bible Church in Canberra, part of the FIEC network. Give thanks for the arrival of a new Associate Pastor, James Lee, and pray that he and his family will settle well into Canberra and the church, and particularly that God might provide suitable permanent accommodation soon. Pray that God would raise up more gospel workers for Southside and for Canberra more generally, and that those from Southside attending the MTS Mission Minded Conference would seriously and prayerfully consider MTS and vocational gospel ministry in the future.
