## So, Hold On

Hold on to Jesus, because He is holding onto you.

## Prayer Points

---

**Praise God that Jesus is better than the Old Covenant in every way!** Praise God that we no longer have to bring repeated sacrifices that do not forgive sin, to an imperfect priest, into a tent that separates us from God. Praise God that in sending Jesus he has made a way for us, who were not Israelites, to receive forgiveness and salvation by trusting Jesus. Pray that the gospel would guard our hearts and give us true security and peace that we yearn for.

**Pray that we would grow in our assurance of faith.** Pray for God to reveal to our hearts the ways in which we seek assurance outside of his Son. Pray that we would confess this and turn to hold fast our original confession: the hope we have in Jesus alone. Pray that we would encourage each other to this end that we might not fall to the deceptiveness of sin. Pray that we would not neglect to gather with fellow believers to encourage and exhort each other in faithfulness.

**Pray for each other to grow in our care for one another.** Thank God for the care series that many of our Grow Groups finished this past term. Thank God for the encouragement and insights we've gained on the way that God cares for us and how we can best love and care for each other. Pray that we would all grow in this task - that the ministry of care would first be taken up by each other. Pray for those among us who face trials and require further pastoral care - that God would enable our pastors and staff members to lovingly minister to them.

**Thank God for school holidays!** Pray for the students among us to rest well in this break. Pray that the families among us would find more opportunities to physically rest during this time. Pray that this would renew all of us to be ready for the final term of the year.

**Pray for the church camp!** Thank God for an opportunity to be gathered together to grow in understanding God's purposes for our fellowship. Pray for the preparations to continue smoothly, and that God would be pleased to use this camp as a way of growing our connections and friendships.

### **Mission Interest Group, Thursday 17 October, 6:30pm (dinner), 7:30-9pm (meeting) "Take Your Job Overseas"**

How many of us have been overseas? We do it all the time! What do we normally take with us? Lots of clothes, travel adaptors, maybe a book to read on the plane, and a whole lot of expectation for our trip. But have you ever thought of taking your job overseas with you? Relocating to work in a different country, not for better pay, or advanced training, or for your CV... but for the sake of the gospel? What would that look like? What are the benefits of this? Come & hear from those who have done it & join us in praying that God would bear fruit for eternity through it.
